State-of-the-Art Hair Loss and Hair Restoration Services for Men and Women

For more than 11 years Salon Iaomo has provided hair replacement services for men, women and children. We work with people going through medical induced hair loss from chemotherapy or medications. We also help those with trichotillomania and alopecia. We specialize in affordable hair loss solutions like hair extensions, wigs and bondable hair pieces. We are members of the American Hair Loss Council.

We are truly committed to restoring the self-confidence of our male and female clients. For those clients that have suffered the embarrassment of hair loss and thinning hair, you can now enjoy the transformation back to having a full head of hair again through our state of the art hair replacement and hair augmentation services. Salon Iaomo is a leader and continues to raise the bar in hair loss prevention and hair restoration. We continue to invest and work with hair replacement systems that are simply unsurpassed.
